

School Faculty Helping On Benefit Dinner Project

BUSY! were these teachers of the Belle Glade Elementary School faculty, in which all teachers helped in their first project of preparing and serving a ham dinner and all the trimmings. The dinner proceeds will go partly towards books for the New Belle Glade Library, 1st Pitt Minney, Ruth Burkett, Margaret West, Mead Willits, Jan Mann and Evelyn Johnson.

The faculty of the Belle Glade Elementary was well pleased with their first project which was a tremendous success. The Ham Dinner the faculty members prepared and served was deemed delicious as well as a complete success.

Most of the proceeds will be presented to the Belle Glade Library Fund for new books, according to Principal Carl Crawford.

Mr. Crawford wishes to thank the community in behalf of the faculty for the wonderful support in making this project a success. All of the faculty members remarked they had a marvelous time in putting on this event.

Crops Responding Well

Vegetable crops, melons and potatoes responded reasonably well to the mild weather during the week ended April 1, according to G. Norman Rose of the Florida Crop and Livestock Reporting Service.

Temperatures averaged near normal and most areas received showers on two or more days. The Hastings area was an exception. Recent seeded pickle cucumbers need surface moisture to aid germination and early growth; a general rain is needed for potato crop. The showers moved south eastward, reaching the Lower East Coast Wednesday, and interrupted harvest activity.

Gusty northeast winds buffeted tender vegetables in most areas Thursday through the rest of the week. Wet topsoils held sand-blasting moderation. However some fruit scarring will show up, no doubt. Muck topsoils infiltrated the heads of broccoli, lettuce, and other leaf items. Short vines of cantaloupes, cucumbers, and watermelons were rolled considerably. Some tender vegetables show wind burn.

Planting is mostly complete, however, seeding of sweet corn is expected to continue active in Central mucklands, primarily at Zellwood, during most of April. Radish seeding will continue as scheduled in all producing areas. Transplanting of celery is near completion in the Everglades, but will continue as Islam Grove and Zellwood through much of April.

Harvest was quite active. Shipments increased about 10 percent over the previous week and were about 25 percent more in the same week a year ago. However, less tonnage was shipped last week than during the three-year comparable period average by a

about 4 percent. Heaviest movement, irrespective of mixed rail carloadings, was in tonnage at 589 carlots, up 22 percent. Vine-ripenes are declining at Pompano, but fairly steady at Immokalee. Mature greens are heaviest in Dade County, but spring harvest has started at Ft. Pierce as Immokalee. This week should see relative steady supplies moving to market.

Cabbage remained steady and may continue so this week. Hastings harvest is moving into reduced volume and quality is variable. Some growers have directed cuttings to Kraut. The Everglades and nearby sand-crop continues to cut volume of good quality but West Central counties are declining. North Central growers are expected to continue harvest all of April and most of May. Shipments have declined from the early March peak.

Sweet corn should continue steady but will increase again as the Everglades moves into volume. Curgulips, supplies are moving heavier from the Lower East Coast. Quality is good but yields are variable. Young corn is in good condition. Harvest continued between showers. Shipments were up about 18 percent.

Radishes, escarole and chichory, the various lettuces, were instead movement, and like squash, should do the same this week.

Operetta Given By Students

Appearing in the "Over Garden Wall" operetta given by the third grade of Gladeview Elementary School is: The performers of the operetta is Miss D. A. Pounds Class, Third Grade C will be: Larry Warren, Larry Booker, Gary Williams, Donnell Bailey, Albert Bridges, Lonnie Adams, Lynn Seabrooks and Charles Gaskins who will play the part of Gnomes, while Florence Pompey, Patricia Oliver, Carletha Wells and Wytha Spencer will participate as flowers. 1965: USA-C supervised tests proved that '65 Ford rode quieter than a \$17,000 Rolls-Royce.

1966: After comparison rides, owners of the world's most expensive luxury cars like Jaguar and Mercedes-Benz agreed that a '66 Ford was quieter.

1967: At the Lake Placid Olympic ski jump a '67 Ford took leap after punishing leap and rode away still quiet, still strong. Other '67 Fords went on a bone-jarring steep-chase ride and a grueling trip up and down the Los Angeles Coliseum steps. The results were always the same: still quiet, still strong.

Year after year, you're ahead in a Ford -ahead in quiet, ahead in strength.

Year after year, we do things you'd never do to demonstrate Ford's quiet strength. This year's tests were the toughest yet. But the durable Ford came through again — quiet and strong. That's because the 1967 Ford is the strongest, quietest Ford we've ever built. Over 150 im-

portant parts have been strengthened and improved. And the '67s offer plenty of convenience, and luxury features too. SelectShift Cruise-O-Matic transmission that's fully automatic and fully manual. Married In Southside Church Of Christ

MRS. DENNIS CARLOS ABERNATHY

The marriage of Miss Edwin Kuj Wildgrube and Dennis Carlos Abernathy was solemnized at the Southside Church of Christ March 25. The double ring ceremony was performed by Byron Conley, evangelist.

The bride is the daughter of Mr. and Mrs. E. O. Wildgrube of 2742 Palm Beach Rd., Belle Glade. Her former home is Houma, La., where she graduated from Terrebonne High School and was active in Home Economics, having won several gold cups for merits in sewing.

Mr. Abernathy is the son of Mr. Henry Abernathy of Athens, Alabama. He is a graduate of Pubokke High School and has just recently returned from Viet Nam, where he was in the Medical Corp for one year.

Decorations at the church were greenery and a large bouquet of mums, gladioli and daisies.

A Duet by Mr. and Mrs. Horace Harrell of Boca Raton. Songs were "More", "Because", "I Love You Truly" and "Wedding March."

The bride, given in marriage by her mother and father, Mr. and Mrs. E. O. Wildgrube, wore a gown of fresh look at lace, traced over a high fitted bodice into two narrow columns down the skirt of a silk faced peau de sole dress.

The sleeves were fashioned short and wide of lace on a dropped shoulder line, with a built in train. The lace was traced with pearls. Her hairpiece was roses made of the peau de sole, dotted with pearls, which held in place her silk illusion veil. She wore

white gloves, and carried a bouquet of white carnations and white daisies with yellow centers picking up the colors carried throughout. (Linda Lee caught the bouquet).

Mrs. Jane Stegall of Houma, La., was her sister's matron of honor in a line green peau de sole dress with white fitted bodice, and over dress of line green organza with flowing hair. Her headpiece was roses with net. Miss Gwen Abernathy, niece of the groom was bridesmaid. She wore a dress identical to the honor attendant.

Lifford D. Abernathy of Belle Glade served as best man and Tom Faulk was usher.

For her daughter's wedding Mrs. Wildgrube wore a beige linen dress with brown embroidery, white accessories and a white orchid corsage.

Following the ceremony a reception was held at the home of the bride's parents. Assistants were Miss Alice Halbrock, Miss Jeanette Riedel and Miss Sue Griffin. The bride's table was covered with a white linen cutwork cloth and centered with iris, white and yellow daisies, and baby breath in a churub vase, the cake was three tiers in simplicity with miniature bride and groom on top. Cake, nuts, mints and punch were served to the guests.

The bride wore for traveling a blue three piece linen suit with floral hat, white bag, gloves and shoes and a white orchid.

Specialist 4. The bride wore for traveling a blue three piece linen suit with floral hat, white bag, gloves and shoes and a white orchid.

Both Mr. and Mrs. Abernathy are members of the Church of Christ and taught classes, devoting their lives to service for Christ.

Tuten-Mackey Vows Exchanged

PAHOKEE — Miss Rebekka Josephine Mackey of Pahokee became the bride of Maynard Edvard Tuten of South Bay on Friday, March 31 at the First Methodist Church, Pahokee. The Reverend John A. Briley pastor, officiated at the 2 p. m. ceremony.

The bride is the daughter of Mr. and Mrs. Robert B. Mackey, 430 S. E. 2nd St. Mr. Tuten is the son of Mr. and Mrs. Jack Tuten of South Bay.

The bride given in marriage by her father wore a white sheath. Her crown of seed pearls held in place a short veil of illusion.

Mrs. Remer E. Young, matron of honor, wore a pink sheath with lace flowers accenting the neckline. Mrs. Glover Deas also attended the bride.

Remer E. Young served the groom as best man. Ushers were William M. Mackey, brother of the bride and Glover Deas.

The couple after spending a brief honeymoon at Fort Myers Beach is now at home at 4715 S. E. 3rd St., Pahokee.

Apartment Dwellers Note

The new strappable wallcoverings are a real boon to apartment dwellers. The United Wallpaper Company reports. They find strappable wallcoverings ideal because of the ease of returning walls to their original shape, as is frequently required, before moving.

Garden Club Members On Outing Today

Members of the Belle Glade Garden Club and friends, will meet at the clubhouse in McDonald City Park at 9 a. m. Thursday, so that the group can leave together on a field trip to LaBelle destination the Lonnie Warren Ranch.

Everyone is to bring a picnic lunch. This will be an outing in the rough. The women plan to cut swamp cabbage and also bring back water oaks and just have fun in the open.

Farewell Party Given For Two At Parson Home

A farewell party and get-together was given at the home of Mrs. L. P. Parson for Mrs. Russell Montzingo and Mrs. E. R. Smith, residents of the Glades Correctional Institution, who are moving away. The Montzingos are moving to Lake Butler where he will be employed by a Correctional Institution branch and the Smiths are moving to Lowell, where Mr. Smith will be connected with the Correctional Institution there.

Hostesses for the party were a group of wives of employees at the institution: Mrs. Levene Penuel, Mrs. Kenneth Bush, Mrs. Robert Kunkel, Mrs. Jessie Wicker, Mrs. Sam L. Manning, Mrs. James Milne.

Refreshments were served from a table covered with a lace cloth and centered with an epergne, composed of miniature sun flowers, astors and gladioli, surrounded by four yellow, lighted tapers.

THOUGHT OF THE WEEK

Right intention is to the actions of a man what the Soul is to the Body, or the root to the tree.—Jeremy Taylor.

False Economy...

Belle Glade can ill afford the luxury of training police officers for the rest of the state!

With the resignations of several officers recently, and the upsurge of shooting incidents it would seem time to take a closer look at this problem.

Perhaps the city is exercising false economy in not making funds available to pay qualified personnel enough to stay in the de-

partment. It is far more costly to train new personnel than it is to keep those already trained and familiar with our problems.

All police personnel should be evaluated periodically with the purpose of merit increases in pay or promotion in rank.

The job of policing our city is difficult enough without the added burden of training new men.

RENTICARE vs INCENTIVE

Before the year is out, many thousands of Americans will be moving into new or freshly renovated apartments. They will enjoy the wall-to-wall carpeting, the electric garbage disposal units and other niceties. These individuals will have a special reason to enjoy their new-found comfort. The reason why is that the niceties will be paid for by the taxpayers.

The reference here is to the beneficiaries of the Great Society's rent subsidy program, sometimes known as Renticare. Under this program, poor families—or, in some cases, mothers with illegitimate children—will move out of the slums into taxpayer-financed housing. To qualify for this handout, a family must not have an income above \$4,300 a year. The head of the household pays a fixed percentage of his or her income for the rent. Uncle Sam pays the rest.

President Johnson says that Renticare is "the single most important breakthrough in the history of public housing." It would be more accurate to describe rent subsidies as the single biggest blow at self-reliance in many a year.

To be sure, there is rising congressional opposition to the plan because of the increase in the cost of defending Vietnam. But it will be a shame if opposition to Renticare is based solely on the general cost of government this year. Renticare is not only costly; it is wrong.

Why does one reach that conclusion? The answer is that a rent subsidy gives a man or woman a stake in being a ward of the government. If a bureaucrat gives a person a comfortable apartment with wall-to-wall carpeting, it isn't reasonable to suppose that a former slum dweller will want to leave such comfort and try to make a place for himself on his own.

We know from the record of welfare in the United States that the army of welfare careerists is growing year by year.

Renticare is the ultimate welfare careerist. Once on Renticare, one can be sure that a public dependent will never get off unless forced off. Rent subsidy strikes at the incentive system of our society. If there is no need to work for the comfortable things in life, many people—the drone element, at least—simply won't work.

Hard-working citizens are cheated by Great Society plans and administrators when more is given to non-workers and drones than a working man can live through his own hand. Indeed it is outrageous that productive citizens should be penalized so that non-productive people can have a free ride at public expense. Rent subsidies violate, therefore, the basic operational concepts of our free enterprise system.

They strike directly at the concept of work and monetary returns in accordance with the amount one works.

The Wall Street Journal points out that at the end of last year in one of the big slum areas of Cleveland where

renticare is operating there were more than 10,000 mothers and 33,000 illegitimate children receiving welfare aid.

Why is the Great Society pushing the renticare program? Well, it seems that there is more to it than meets the eye. For example, if the bureaucrats can place slum families in middle-class apartments, they have the power to upset and juggle neighborhoods, which is by their very nature to do. Statements by Harold H. II, U. S. Commissioner of Education, make plain his determination to break up the neighborhood school system. One way of doing this is by housing of students. Another is by directly tackling the neighborhoods by sending slum families into the suburbs. Anyone who doesn't believe the masters of the Great Society wouldn't go this far in shattering our national way of life simply hasn't read the fine print in the Great Society programs. Renticare thus not only strikes at self-reliance but a tool for breaking up the patterns of existing neighborhoods.

Uncle Dan from Doolie Says:

Dear Mister Editor

I was reading this piece where a country editor in North Carolina had wrote to Congressman Basil Whitener of his District announcing he was going to close down his newspaper. He reported the red tape the postal department in Washington had put on him was getting too heavy to carry.

According to this piece, he told Congressman Whitener he had to zip code ever paper he mailed, and if he had a dozen papers going to some city it took four or five different zip codes for this one city. Furthermore, he reported, he had to sack up his papers and label 'em for all the different trains and fer ever direction on the compass. He allowed as he was doing everything but delivering his papers in person. On top of that, he said, he had to mark off all the ads in the paper, figure the percentage of news again the percentage of ads and file a report with ever issue. And he claimed if he wanted to send a complimentary copy to a friend he had to print "Sample Copy" across the top of the front page put a zip code on it, stick it in a separate mail sack and have it weighed separate for the bulk rate. He said him and his wife and two daughters had been devoting full time to the postal regulations but the load had final brought his wife down with a nervous disease and his two daughters were having nightmares and screaming about zip codes in their sleep.

This piece reported that Congressman Whitener had took the matter up with another Congressman named David Henderson, that was on the Post Office and Civil Service Committee and that Congressman Henderson was talking to a fellow named McMillan that was Assistant Postmaster General to see if they was anything that could be done to save the country edition of America from going crazy.

I was just thinking, Mister Editor, while I was reading this piece that if you was getting on the brink of insanity from red tape you might want to write to Congressman Henderson and give your name in the post.

But if you editors was going crazy from red tape, you ain't by yourself. Us farmers has now got in the mainstream of Government red tape. Since they passed that new Federal Wage Law covering farm workers, a poor farmer hiring a helper or two for a few weeks has to hire a bookkeeper on the side. Fer instance, I have already got one Form from the Labor Department that was 10 pages long in the fine print. I can't even read it, much less fill it out.

The answer fer me, Mister Editor, is that I ain't going to write no help. And I aim to take this matter up Saturday night with the fellers at the store.

Yours truly,
Uncle Dan

THE FISHING REPORT

The wind made fishing a little slow in the Belle Glade area of Lake Okechobee over the past few days. However the following nice catches were reported:

F. L. Blocker and Lee Arden of Ft. Lauderdale brought in 75 specks on Saturday using live bait.

Mr. and Mrs. Roy Moody of Miami, Florida had the limit of specks on Saturday.

Wallace Lutz and Jimmy Taylor fished every afternoon last week. Taylor reports they averaged 6 bass each afternoon. Jimmy Taylor brought in 8 bass on Sunday afternoon up to 5 pounds.

The weather is expected to improve, and better fishing is anticipated for the coming weekend.

Walter Davidson and Ephraim Morris brought in 15 bass Monday and 51 specks. Tandy Morris caught 35 specks Monday.

Dr. Andy Van Salkama and his wife caught 80 specks. These specks were the largest seen this season.

Roy Kimberly caught seven bass up to 7½ pounds. Joe Scott caught his bass limit and they ran up to 5½ pounds.

Herbert Watts also got his bass limit.

Shell Crackers are also being caught now.

The fishing is good in specks and bass and if the wind hold it is expected to improve.

Two families, five fishermen, brought in 156 bass during a week of fishing here. The families, Wayne and Fred Bledsoe, are from Indianapolis, Indiana. Steve Bledsoe is having a 7½ pound bass he caught mounted.

Vero Beach Wins Track Tournament

In the six-way track and field meet last Thursday Vero Beach made an over-running victory.

The following records were set by Belle Glade: 180 yard low hurdles—Greg Jones, fifth place; 220 yd. dash, Mark Whittemore, first place; 440 yd. dash, Howard Hill, fifth place; shot, Julio Perez, third place; 2 mile run, Tom Williamson, first place; pole vault, Wendell Wells, fourth place, Danny Davis, fifth place; high jump, Wendell Wells, third place; sprint medley relay, Rams, second place.

The Rams score was 50 which put them in second place.

Golf

With a score of 4-0 the girls' golf team beat Forest Hill High. The boys lost, 4-0.

When playing Martin County that same afternoon, the girls won 3½-1½. Martin County beat the boys 3-1.

Aggie Grossinger became the medalist Tuesday afternoon by scoring 53. John Wymer from Forest Hill was the boy medalist with 38. Tommy Altman was the lowest scorer among the BGHS teams with a score of 39.

Triple Question Deserves Reply

By Lewis Llewellyn
When Christianity was being introduced into Britain many years ago, it is said that those who wished to preach there approached the king of Northumbria, for permission to present the message of the Gospel in his domain.

"Yes," King Edwin answered, "you may preach your religion in my castle if it can tell us the answer to a threefold question that is in the hearts of all."

TRIPLE QUESTION
"We believe," the king continued, "that life is something like a swallow flying through a lighted hall. The swallow enters out of the darkness, from whence we do not know. He flies around for a while and then goes back into the darkness—where we do not know. So is man."

"Now, sir, can your Christian religion tell us where we come, why we are here, and most of all, whither we go when life is done?"

"This threefold question engages the attention of every thinking person, sooner or later."

"Unfortunately, some of us seem so entranced by the matter of the origin of man that we never get beyond the answer to the first part of the question—and, in some cases, a very unsatisfactory answer at that, reducing man to the level of animals."

Alliance Church To hear Gideons

Rev. John Shaw minister of Belle Glade Alliance Church announces that Mr. Pat Drake and another member of the Gideons will participate in the morning service at the church on Sunday at 11 o'clock.

The evening service will be brought by Rev. Shaw, who will speak on the sermon topic "Assurance."

The cultivation of a habit of happiness is a most important factor in health. There is a joy in healthful living attainable at any age, and a conduct of life in harmony with each individual's needs and powers. Happiness requires a healthful mind.

D. D. Humphrey

Rites Held Friday

Dell D. Humphrey, 86, of North K. St., Lake Worth, father of Mrs. Kathleen Mapp of Belle Glade, passed away early Wednesday, in Kennedy Memorial Hospital. He was injured in an automobile crash last Friday at Congress Ave. and Second Ave.

Survivors include his widow, Julia Edith; two sons, Darrell A. of White Plains, N. Y., and William D. of Lake Worth; his daughter, Mrs. Kathleen Mapp, Belle Glade; and five grandchildren.

Private services were conducted Friday at the E. Earl Smith and Son Funeral Home Chapel, Lake Worth. Burial was in Hillcrest Memorial Park West Palm Beach.

Rev. Pasetti

Guest Minister

In Pahokee

Rev. Alexander Pasetti preached on April 2 at the morning and evening services at the First Baptist Church of Pahokee, during the absence of the pastor who was away in revival services.

Rev. Pasetti, is the area missionary ministering to Spanish speaking people in the Glades area from Canal Point to Moore Haven.

Read John 10:14-18
"Look and see if there is any sorrow like my sorrow which was brought upon me." (Lamentations 1:12, RSV)

It is recorded in the Gospels that the Lord often visited the garden of Gethsemane with His disciples. But how different His last visit was from the others! What happened in that hour is a dark mystery. We think of it only with fear and trembling.

His disciples did not understand it. Even the most faithful fell asleep because of weariness and sorrow. Mark reported that Jesus "began to be greatly distressed and troubled." Luke wrote about the Lord's agony, how "his sweat became like great drops of blood." Body and soul, Jesus was burdened with the sins of mankind. He struggled with death, man's last enemy, and needed God's strength to be able to finish the immense task of our redemption.

Let us remember that it was because of us and for us, that the Lord of glory suffered. Offering our lives to Him in gratitude can be our only response.

PRAYER: Lord Jesus, we worship Thee for Thine infinite love and obedience to the Father. Accept our hearts and lives as our meager gratitude for Thy suffering. Give us grace to be wholly Thine in life and death, and to pray, as Thou hast taught us, "Our Father who art in heaven... Amen."

THOUGHT FOR THE DAY

By the wounds of Jesus Christ, the man of sorrows, we are healed. Klara E. Csis (Switzerland)

We cannot expect every day of our lives to be filled with roses and happiness. Things will not always go our way. We can expect reversals, defeats, and constant challenges. Though we may not always win, we can still refuse to be hopelessly beaten. We can always salvage something of a victory if we refuse to sit down and quit; if we meet challenges with the best left in return to their homes in effort we can muster.

Wayne Coley of Richmond, Virginia arrived in Belle Glade on Easter Sunday to spend a week with his parents, Mr. and Mrs. W. J. Coley of Acconia, Virginia and other relatives. Mr. and Mrs. Coley have been in Belle Glade since January and are staying with her sister, Mrs. Sylvia Cabildo. On Saturday morning the Coleys met challenges with the best left in return to their homes in effort we can muster.

Over 200 Attend

Reception At First Baptist

Over 200 attended the reception at the First Baptist Church, Belle Glade from 5 to 6 o'clock Sunday afternoon which welcomed Mr. John Fleming, new Minister of Education and Music, and Mrs. Fleming and gave appreciation to Rev. and Mrs. C. H. Eiland who left Belle Glade on Wednesday.

Both Mrs. Fleming and Mrs. Eiland were presented orchid corsages by the Woman's Missionary Union, who also presented a monetary gift to the Eilands, in recognition of their 14 months of service. The social hall of the church was decorated with spring flowers and palms.

Rev. and Mrs. Eiland left Wednesday and will be presently making their home in Orlando. Plans at this time are indefinite.

The church accepted Rev. Eiland's resignation with regret.

Several ladies assisted at the reception. They were Mrs. Aileen McAllister, Mrs. Shirley Mathews, Mrs. Eunice Chambliss, Mrs. Bertha Markham, Mrs. Miriam Burgess, Mrs. Sara Plunkett, Mrs. Stearns Schleicher acted as hostess.

175,000 MILES (or how a DATSUN can give you a pocketbook pickup!)

A few months ago, a man came into a Datsun dealer in California, and asked his tappets be adjusted. Casually he mentioned he had 163,000 miles on his 1964 Datsun Pickup. During this time he had put in 4 changes of spark plugs, a new tire now and then and oil changes whenever he got around to it. The dealer gave him a Datsun a minor tune up and some other services which cost \$22.00 — and made it go like new. Today that Datsun has over 175,000 miles on it and is still going strong!

Ram Haze

APRIL 6, 1967 THE HERALD, Belle Glade, Fla. Page 7

Boca Raton Wins Over Rams, 5-0

The Boca Raton Bobcats shutout the Rams Friday 5-0 here in a conference baseball game.

The first Bobcat run came in the second inning with Carlos Delgado's triple bringing in Terry McMahon.

Boca then combined 3 errors, hit batsman, overthrow ball, and 2 singles in the top of the sixth to give them their final 4 runs.

Boca's Mike Enders allowed only 4 hits with Jorge Rodriguez getting 2 of them. Losing hurler Henry Rionda allowed only 4 hits also.

The Rams are now 3-3 in the conference.

Pahokee Wins

Netters Place 3rd In Conference Meet

At the Western Division Suncoast Conference Tennis Tournament held last Thursday, Pahokee made a clean sweep, both with the boys in Pahokee and the girls in Belle Glade. They won over four other teams: Martin County, Jupiter, Boca Raton and Belle Glade.

Richard Browning and Roger Mills (P) led the boys to victory totaling all their team's nine points. In the No. 2 position singles, Rolison (MC) finished out over Gillick (J) 8-4. Number three singles had Hartman (J) over Pierce (BR) 8-4. Mills (P) defeated Gifford (MC) 8-6 in the number 4 position, and Gutera (BR) took number 5 defeating Penick (MC) 9-7. Doubles saw Browning-Mills (P) over Gillick-Hartman (J) 8-2, and Higgins-Caylor (BR) over Kohn-Rood (J) 8-3.

With the girls, Alison Cann (BG) went to finals to defeat

WHO IS IT?

Vicki Chalanen ... It's a Thomas! Martha Lynn? Mr. Painter ... All I know is that it is a pretty little girl in a swing.

Vicki Wilson ... Doris Willis!

Joey Hudspeth ... Is she still that fat? Do I know her? Martha Lynn Thomas?

Mickey McGhee ... That's Lynn Livingston, when she had good looking legs!

George Richardson ... That mouth, it has to be Lura's!

Mr. Sanders ... It looks familiar, yea, Diane Lutz, Diane Shiver ... Whoever it is, she sure is fat!! Martha Lynn Thomas.

Cecilia Enfinger ... That's Lura, you can tell by the kinky hair.

Susan Rhymes ... It looks like Frank Branch!! No. Molly Thomas!

Dennis Connell ... How fat!! Lura Livingston?

Barbara Meeks ... Fat kinky hair, Lura Livingston!

Yes, everyone knows this kinky, curly head "little girl" of the senior class, Lura Livingston will never change!

2 Para Medics To Attend Meet

Para Medics will attend their state convention in Miami, April 13-15, to elect state officers.

Barbara Warren and Jill Bowen are the delegates from BGHS.

Cynthia Thiebaud is running for state president-elect, and Brenda Buckner for state treasurer-elect. These girls were chosen to attend the convention because of their interest in medicine and the large amount of time they put into it.

Mrs. Hazel Litchfield will be sponsoring the girls.

Tigers Beat Rams

The Rams were defeated by the Clewiston Tigers on March 28.

Bruce Taylor was the leading hitter for Clewiston by banging two doubles in as many trips to the plate.

Belle Glade's runs were scored in the top of the sixth inning. The first run was made by Henry Rionda on a hit by Bryant Davis. Terry Mann slugged the ball into center-field which sent Herbert Giese and Bryant Davis home. This made the final score 6-3.

Davis, Wilson On Conference Team

At a recent meeting of Suncoast Conference Coaches, All-Conference teams were chosen honoring the outstanding players of the past basketball season. Two Belle Glade Rams were chosen in this select group. These were Bryant Davis and Quer Wilson.

5 To Attend FHA State Convention

BGHS delegates to the State Future Homemakers of America include outgoing State President, Karen Dexter, and Kathy Morris, a nominee for State officer.

Karen will give her farewell address and present her gavel to the new president at the Tampa convention.

Running for state historian for 1968, Kathy Morris, has worked diligently all year preparing her campaign and working on her state degree.

FEA Meeting Held In Jax.

This year's state meeting of the Florida Education Association was held in Jacksonville on March 15.

At this meeting teachers voted to remain on salaries.

Mrs. Dorothy Jones, representative from BGHS, stated that "It is time for our legislature to awaken and give more active support to our state school system."

Other representatives from local schools were Mrs. Carol Deen, Belle Glade Jr. High and Mrs. Jeanette Finnancor, Belle Glade Elementary.

Davis, a senior, was the third leading scorer in the Western Division of the Conference averaging about 20 points per game. He was Co-Captain of the team and led the Rams to a 14-7 season's record and 9-3 Conference record. Only two last season free throws by Boca Raton prevented the Rams from winning the Conference Championship instead of finishing in second place.

Wilson, a junior in his second year as a starter averaged 14 points a game, was the team's playmaker, leading free-throw shooter and second leading rebounder while playing guard. He also was selected to the all-Tournament team for his performance in the Class A, Group 14 Tournament at Seacrest at the end of the season.

Senior Play To Be Given

The final preparations for the senior class play, "Rally Round The Flag, Boys," will be completed in the next week.

Several 18th century costumes were ordered from Jacksonville to add to the authenticity of the play. Many of the seniors have been busy placing posters throughout town. Arrangements for programs, tickets, and stage props have been finished.

The play will be presented April 13 and 14, at 6 o'clock in the high school gym.

'Sing Out Glades' Organizing, And Preparing For Performance

"Sing Out Glades" has grown to a membership of about two hundred and thirty-five since its inception, a month ago, and hopes to hold their first performance in mid April.

Eight members from the group, Alan LeBeau, Robin Davis, Frankie Fernandez, Jane Zumph, Doris Willis, Jack Payne, Laura Beardsley, and Mary Leigh Amerine, and Mary Leigh Amerine, were elected to the all-Tournament team for his performance in the Class A, Group 14 Tournament at Seacrest at the end of the season.

Both Davis and Wilson contributed heavily to a successful season.

The annual Employee-Employer DCT Banquet was held April 4 at the Holiday Inn. Guest Speaker for the evening was Dr. C. C. Crawford. Dr. Crawford was president of Man Cato College in Minnesota for 20 years. Now Director of Graduate Guidance at Florida Atlantic University, Dr. Crawford has written numerous articles for education journals.

Among those who will attend are teachers, last year's DCT students, and, as honored guests, the employers and training advisors of this year's club members.

Entertainment will be provided by the Glades Correctional Institute Chorus.

Cast C returned to participate in a pot luck supper held at Jameson Hall in the Methodist Church.

The third meeting for the group was held again at Jameson Hall on Tuesday, March 14. This was a business meeting at which officers were elected. They are Alan LeBeau, president; Linda Lee, vice-president; Mary Leigh Amerine, corresponding secretary; Jane Zumph, secretary; and Robin Davis, treasurer.

The chairman of the various committees were also elected: Leslie Cowart, Staging (sound and lighting); Ray Lott, Music; Cynthia Thiebaud, Costumes; Barbara Finney and Bryant Price, Public Relations; and Robin Davis, Finance.

The Adult Advisory Board is made up of Mrs. John Fields, John Baker, and Lonas Amerine.

Mary Leigh Amerine and Linda Lee were invited to speak at the BGHS Interact meeting March 13, about Moral Rearmament. The Interact Club donated \$20 to help get the group going. This was the first club donation given to the local group. "Sing Out Glades" has also received donations from other people and organizations who are interested in their activities. Harold Zumph donated an office and Bob Davis, a desk; Florida Power and Light Co., is giving the lighting for stage performances; John Baker is doing the legal work free of charge; Mrs. Fields and John Rogers have helped with the vocal arrangements.

Mary Hill, Student of the Week

Mary Louise Hill has held the office of Secretary of her class since 8th grade.

She is noted around Campus for her fashion drawing. She is also a very active member of the band, and an active member of the senior class play.

After graduation she plans to attend Palm Beach Junior College for two years and further her education at Carnegie Tech, in Pennsylvania where she plans to major in Fashion Design.

One of her greatest ambitions is to go to Paris, where she would like to continue her study.

Her past times are listening to music, playing all types of sports and drawing fashions. She is the daughter of Mrs. Everlean Davis and she resides at 227 S. W. 6th St. She was born in America, Ga.

9 Will Observe Teaching Month

April is "Teaching Career" month. The theme for the 1967 program is "teach me."

The students are members of the Future Teachers of America. These students will participate in the Lake Shore Cadet Teaching program during the week of April 10-15.

Participants will be evaluated by a directing teacher, who will use such criteria as, personal appearance, spirit of cooperation and interest in the Cadet receiving the best rating.

Then students are Hermean Harrison, Edna Grayson, Betty Brown, Mary Nelson, Carolyn Wrisper, Patricia Rhodes, Sheilean Ingram, Lula Carri-

gan, and Maggie Fuller.

Harrison Chosen 'Player of Week'

O'Dexter Harrison

This week the Newspaper staff has chosen O'Dexter Harrison as player of the week for his outstanding performance in the last two games. O'Dexter is LSH's first string pitcher and also plays an important part on LSH's offensive team.

The Bobcats have played only two games and O'Dexter 'Mickey' led off in the second. The Cats have won only one game and that was the game that O'Dexter pitched. O-

Dexter is also a great hitter for in the second game he brought in two runs. In the last two innings of the second game, he struck out 5 of the 6 hitters and allowed only two runs.

O'Dexter is just a sophomore and has two more years to play for the Cats. With a pitcher like him the Bobcats have very little to worry about.

Coach Denson had this to say about him "Mickey" is a good strong pitcher and he's steadily getting better, next year he will be one of the best. O'Dexter had this to say, "Pitching is something that requires a lot of practice, it isn't something that comes to you overnight. Good luck O'Dexter for the games to come, and congratulation on a game well played."

CAMPUS HIGHLIGHTS

An informal question and answer assembly program was held by the Student Council on Wednesday.

The band is practicing hard for their next concert.

We're glad no one was seriously injured in the accident that happened last Monday.

The FHA has really worked hard to raise the fee for their delegates to attend the Florida State FHA Convention in Tampa, on April 6-9.

Local Marine Sees Action In Da Nang

Pfc. T. G. Scheffler, with the U. S. Marines, Camp Hansen, Okinawa, was slightly wounded in a mission to Da Nang, Viet Nam according to a letter received by his parents, Mr. and Mrs. E. W. Scheffler of Belle Glade.

Scheffler with his regiment returned to Okinawa on March 25, after fighting for two and half weeks in Da Nang. He received sharp wounds in an attempt to rescue men from a blazing tank. On arriving by plane back to his base Scheffler stated all he had done was eat and sleep. The temperature was 120°.

The 21-year-old Marine attended Belle Glade High School and entered the service Nov. 1965. He received basic training at Parris Island and also trained at Camp Gieger and Lejeune, N. C. He was in special training at Camp Pendleton, California and arrived overseas July 4, 1966.

MEN IN SERVICE WILLIAMS

Airman Norman L. Williams, son of Mr. and Mrs. Gammie L. Williams of 424 S. W. Eighth St., has been selected for technical training at Lackland AFB, Tex., as a U. S. Air Force air policeman. The airman recently completed basic training at Lackland. His new school is part of the Air Training Command which conducts hundreds of specialized courses to provide technically trained personnel for the nation's aerospace force.

NOLAND

Seaman Apprentice Terry W. Noland, USN, son of Mr. and Mrs. Ray Noland of Lake Harbor, is helping the U. S. Atlantic Fleet Amphibious Force (PHILBANT) celebrate its 25th anniversary this month, while serving aboard the attack cargo ship USS Mulholland.

SMITH

Marine Lance Corporal Eddie R. Smith, Jr., son of Mrs. Gladys O. Smith of Morris Trailer Park, took part in field tactical training exercises at Camp Pickett, Va., as a member of the Second Marine Regiment, Second Marine Division from Camp Lejeune, N. C.

GREER

Jeffrey R. Greer, 21, son of William A. Greer, Route 4, Marietta, Ga., was commissioned an Army second lieutenant upon graduation from the Armor Officer Candidate School at Ft. Knox, Ky. March 15.

The lieutenant received 23 weeks of instruction in preparation for his first assignment as an armor platoon leader.

The first phase of his training was instruction in fundamental military subjects. The second half of the course included training in tank weapons, military tactics, command and staff functions, and unit training.

Li Greer's mother, Mrs. Edna Jeffrey Pruitt, lives in Pahokee, Fla. He was graduated from Milton County High School in College Park, Ga., in 1963 and received a B. B. A. degree in 1966 from the University of Georgia in Athens.

SHERIFF'S FEED

Paul Hawkins and Lt. Claude Tindall, in charge of the Glades sub-station of the Palm Beach County Sheriff's office, along with Avery Bass (not pictured) cooked for a group of law enforcement officials at the PBA Club house Sunday. The Sheriff's sub-station hosted some members of the Belle Glade Police Department, Sheriff's officials from West Palm Beach at the affair.

Cancer Drive Launched Ap. 1

Over 5,000 volunteers in Palm Beach County join with more than two million fellow volunteers across the nation April 1 in launching a new attack on cancer.

Locally and nationally, according to Raymond W. Royce, 1967 Crusade Chairman of Palm Beach County, the attack promises to be the largest ever undertaken against the second most fatal disease in the United States.

The ACS begins its annual educational and fund-raising Crusade with the start of Cancer Control Month as designated by President Johnson.

"The build-up for this year's attack on cancer demonstrates the growing public awareness of the urgency of the problem," Royce said. "We have a strong organization, an enthusiastic and determined group of trained volunteers. Assignments have been made."

In 1860 the American steel industry produced 13,259 tons of steel; today the industry produces that much every 53 minutes.

Market Report

"We had another good sale Monday," said Pete Clemons, Manager of the Glades Livestock Market.

"Prices were down a little, but then we're comparing it with last week's prices and they were high. All cattle sold good Monday. Slaughter goes were off maybe .25. Slaughter calves were off \$1 to \$1.50. Other slaughter cattle were steady. Stocker calves were a little weaker, off \$.50 to \$1. Other stocker cattle were steady. Frig. Stein, Belle Glade, topped the market with a \$37.50 calf. Quite a few calves sold over \$35."

Thirty two percent of the 642 head sold Monday went to Slaughter with 68 percent to Stockers.

BOYS GO TO SEBRING RACES

Winners of races at Paynes Hobby House here, were taken to Sebring where they attended the races. Left are Jack, Drew and Ross Payne, Barry Gruber and Mike Boone. They left Wednesday and returned on Friday. They also enjoyed camping out while there.

Announcing Buick's new GS-340.
(The miniprice GS-400.)
If you read the papers, you know how great our new famous GS-400 is. It's the one in the background. And you also know you don't get a GS-400 for peanuts. It's a great car. But it's just a little rich for some people. So we set to work and designed the GS-340. It has a smaller engine (but the whole machine weighs less). Its interior is clean and simple and tasteful. And it has its own ornamentation, paint job (see the rally stripe and hood scoop?), and, of course, all the GM safety features. So now you have a car that costs less than the GS-400, but one with its own special brand of excitement. How can you beat that kind of a combination?

Belle Glade Lions Induct Two New Members

J. R. Fincher, Sears Manager, and Robert McCormick, Belle Glade electrician were inducted into the Belle Glade Lions at their regular noon luncheon meeting Wednesday, March 29 at the Belle Glade Civic Center.

W. N. Martin, Secretary, reported contributions of the Club of \$100 to the Florida Lions Foundation for the Blind and \$60 to the Florida Lions Eye Bank during the past month.

A letter from the Eye Bank was read thanking the Club for its contribution pointing out that in its five years of existence so far the bank has furnished tissue for over 570 cornea transplants. Martin also read a letter from the local welfare office stating that the club's contribution of a pair of eye glasses had enabled a recipient to return to work.

The Lions club voted to sponsor a Donkey Baseball game Friday night April 28 as an activity fund raising project to take the place of the variety show indefinitely postponed in favor of the Sing Out performances last month.
